BRAINS UPLAE REVIEW *Premier Edition*

301 Ang Bahay ng Alumni Bldg., UP-Diliman, QC. ☎ 434-7423, 925-4702 • 214 Doña Amparo Bldg., España cor. GM Tolentino, Manila ☎ 736-1707

Why Prepare for the UPLAE

Are you not-so-high grades a sure let-down? Aren't high grades enough to get you into the UP College of Law? Or, are your not-so-high grades a sure let-down?

Apparently not. Some honor graduates have failed the admissions process because they didn't make the cut-off of the UPLAE. But, many non-honor graduates have been known to pass because they made the cut-off score. The GPA evaluation came later.

Unjust? No. It actually makes sense. Law studies may appeal to many, but few actually are fit for the course. An aptitude for law studies is characterized by a high level of verbal proficiency, superior reading comprehension and logical reasoning skills, and, yes, an above-average mathematical reasoning ability. The UPLAE is meant to test if you have these skills, your grades merely confirm if you have the ability to learn.

The UPLAE is a ranking exam (only top performers are admitted), but the skills tested are susceptible to training. So, whether you want to gain the advantage, or simply want to maintain your lead, make sure you prepare to the max. UP LAW beckons.

BRAINS UPLAE REVIEW AND TRAINING COURSE.

Tip the scale in your favor.

New, more intensive program...

... at no extra cost.

This year, we present the review in two modules: the regular program and the test training module.

MODULE 1. *Get the aptitude!*

The original 64-hour BRAINS UPLAE Review Program uses the teach-train-test review method for regaining or sharpening your competence in the areas tested in the UPLAE. The module includes two UPLAE simulation exams, given pre- and post-review, and lectures and drills on all the topics tested: Standard Written English, Reading Comprehension, Verbal and Mathematical Reasoning, and Critical Thinking.

MODULE 2. *Get the speed!*

After sharpening your skills, it's time to develop speed. Take our timed tests in key areas and attend the discussion sessions after. Improve your scores as you practice and get feedback on your answers. 12 hours. FREE to this year's enrollees.

...taught by Expert Faculty

Our faculty are chosen for their subject expertise and teaching competence. All are specialists, with years of teaching experience in UP and at BRAINS. You're sure to get high quality instruction only subject experts can deliver.

PROGRAM DETAILS

CLASS SCHEDULE

Section	Days	Time*	Start date	VENUE
A1	Sundays	8AM-12 NN	Aug 7	BRAINS-Quezon Avenue
A2	Saturdays	8AM-12 NN	Aug 6
